

# Cyber Safety Fair Guide Sheet

A *Cyber Safety Fair* can be a fun activity for a small of group of children or to encourage students with their classroom work by allowing them to express their technology ability and creativity. Sponsor a Cyber Safety Fair at a local school, neighborhood organization or with your children.

## 1. Create Procedures and Involve Partners

Establish the process to host a Cyber Safety Fair. Issues you need to address include:

-  Recruiting Entrants
-  Developing Sponsors
-  Site Logistics of Holding the Fair
-  Judging and Recognition of Entries

## 2. Engage Students by Viewing Online Safety Video Tutorials

Watch these short, specific and engaging **streaming videos** available **FREE** to build skills in knowing how to stay safe online and what to be on the lookout for. Watch them at home, in a classroom or wherever you have Internet connectivity.

<b>Passwords</b> and Other Online Secrets	<a href="http://www31.nortel.com/webcast.cgi?id=3327">http://www31.nortel.com/webcast.cgi?id=3327</a>
<b>Identity</b> Protection from Theft	<a href="http://www31.nortel.com/webcast.cgi?id=3328">http://www31.nortel.com/webcast.cgi?id=3328</a>
<b>Internet Cookies</b> are Not for Consumption	<a href="http://www31.nortel.com/webcast.cgi?id=3329">http://www31.nortel.com/webcast.cgi?id=3329</a>
<b>Spyware</b> and Other Privacy Busters	<a href="http://www31.nortel.com/webcast.cgi?id=3330">http://www31.nortel.com/webcast.cgi?id=3330</a>

## 3. Have Students Create Posters (or Presentations)

Let students choose the Cyber Safety topic they want to research and report on. Have them conduct research online; They need to create a poster or slide(s) using PowerPoint. Get them to rehearse presenting their poster or slide show. Recognize their work through certificates, prizes (when possible) and peer appreciation.

## 4. More Ideas to Fuel Your Cyber Safety Fair

<p><b>Use</b> Nortel LearniT Lesson Plans to develop student project ideas</p>  <p>Search NortelLearnIT.org &gt; Lesson Plans &gt; Cyber Safety</p>	<p><b>Read</b> <i>Getting Started in Science Fairs From Planning to Judging</i></p>  <p>By Phyllis J. Perry. ISBN 0-07-049526-2 Available through Amazon Books</p>	<p><b>Promote</b> the Fair, the student projects and your partnership</p>  <p><b>Tip</b> – Let Nortel LearniT know about your Cyber Safety Fair so they can feature it on their web site</p>
--	---	---
